

I am the gate. Whoever enters by
me will be saved and will come
in and go out and find pasture.

John 10:9

We acknowledge that in Kingston we are situated on traditional Anishinaabe and Haudenosaunee territory. We are grateful to be able to live, learn, and play on these lands.

How would you improve SGC non-worship facilities and/or property? The Property Development Committee (Peter Case, Susan Everett, Eric Friesen, Dean Doug Michael, Alan Stephen, Jann VanVugt) are working to complete the feasibility study regarding development of the SGC Property. We hope to be able to give you an update soon. But before we do that, we have asked all the leaders of Ministry Groups here at SGC to tell us what improvements or changes they would like to make to our non-worship spaces and how those changes would impact their ministries. They are working on that now and we hope to have their responses by the end of next week. And then it will be your turn to tell us what you think would be important for us to do. We ask you to keep in mind the purpose of this investigation: to see how facilities changes/improvements could help SGC accomplish our goals for Ministry ... to be more welcoming, to support our Kingston Community, to develop capacity for service and growth. Surveys will be available by April 28 on line through the newsletter or hard copy at the office and at the back of the worship space. Completed surveys should be in to Christina at the office by May 12. Please make your voice heard, and thank you!

Parish Council Workshop Presentations now available: For all those who are interested in seeing the full Presentations which were reviewed during the after-service meeting a few weeks ago, we now have permission to share them with members of the SGC Congregation. They are:

1. Growing Anglicans
2. Contextual Congregational Survey (photos and artwork removed)
3. Bucking the Trend
4. Appreciative Inquiry

These are for our members personal use and we are requested not to email, print them or share them electronically. Please contact Christina in the office and she will send them to you. For those without email, a printed circulation copy will be available in the office for you to review and return.
