

1 CORINTHIANS 13:13:
"AND NOW FAITH, HOPE AND LOVE. BUT THE

We acknowledge that in Kingston we are situated on traditional Anishinaabe and Haudenosaunee territory. We are grateful to be able to live, learn, and play on these lands.

Diocesan Gift for Bishop Michael: Individuals and parishes have been asking about a diocesan gift in Thanksgiving for and recognition of the ministry of Bishop Michael. People and or parishes are invited to support two important ministries that are near and dear to our bishop – The Anglican Foundation's Say Yes to Kids initiative and/or the Primate's World Relief and Development Fund. If you would like to make thanksgiving gifts, please make cheques out to the Diocese of Ontario and mark on the memo line which of the two ministries you would like to support. You can also do the same using e-transfers to payments@ontario.anglican.ca. If you have any questions regarding payments, please contact Joyce Williams at the Diocesan office at jwilliams@ontario.anglican.ca or 613-777-0532.

Special Vestry Meeting: The Property Development Committee has asked for a Special Vestry Meeting with the SGC Congregation to update progress on the Feasibility Study of their investigations, and to discuss next steps. Vestry is scheduled for Sunday morning, June 11, immediately after the 10:30 service. Please plan to attend this very informative and exciting meeting.

Please complete: the Property Development Survey by Sunday, May 14. Copies are available at the back of church along with a Survey Collection box nearby. It can also be filled out online (copy at the bottom of this newsletter), and returned to Christina at the office. Many thanks for helping the Property Development Committee understand your priorities!

How would you improve SGC non-worship facilities and/or property? The Property Development Committee (Peter Case, Susan Everett, Eric Friesen, Dean Doug Michael, Alan Stephen, Jann VanVugt) are working to complete the feasibility study regarding development of the SGC Property. We hope to be able to give you an update soon. But before we do that, we have asked all the leaders of Ministry Groups here at SGC to tell us what improvements or changes they would like to make to our non-worship spaces and how those changes would impact their ministries. They are working on that now and we hope to have their responses by the end of next week. And then it will be your turn to tell us what you think would be important for us to do. We ask you to keep in mind the purpose of this investigation: to see how facilities changes/improvements could help SGC accomplish our goals for Ministry ... to be more welcoming, to support our Kingston Community, to develop capacity for service and growth. Surveys will be available by May 5th online through the newsletter or hard copy at the office and at the back of the worship space. Completed surveys should be in to Christina at the office by May 14. Please make your voice heard, and thank you!
