ANNOUNCEMENTS

The Cathedral Choir welcomes YOU! Come be a part of our cathedral choral experience where we perform weekly from an extensive repertoire spanning from newly commissioned contemporary works to the early music of the church. Fluent sight-reading skills are helpful. Regular rehearsals are Friday at 5:30 and the choir sings for both Choral Eucharist on Sunday and Evensong on Wednesdays (twice monthly).

Interested singers are invited to email music@stgeorgescathedral.ca to arrange an audition time.

Need Housing for Medical Resident: Our household knows an individual who is in need of housing for seven weeks (September through mid-October) continuing her residency at Queens University before moving to Ottawa. Victoire graduated from McGill University and has her MD degree. She spent last year in residency in London, UK. She will continue at Queens for seven weeks before moving to Ottawa to finish her program. She has been a longtime friend of our daughters, and we can easily vouch for her. Great Hall Restorations

The work has begun on the restoration of three of the Great Hall windows. The condition of the windows became critical and could not be left to fail any longer. The company doing the work is Heritage Grade located out of Ottawa . They have the glass and wood working expertise to complete such restorations. The three windows are all on the south side of the building. They consist of the tall hall window, the choir master's window and an office window.

The Cathedral Executive have approval to utilize funds from the Heritage Reserve Trust to start the work. The cost estimate to complete the restorations is \$96,000.

Knowing this necessary work was required the Cathedral Project's Group has already had a fund raiser "Stained Glass Revival" on June 17, 2023 towards this work. If anyone would like more detail about the restorations or how to support the cost, please contact the Wardens or the office.
