

A Mighty River

Let Justice and Peace Flow

Season of Creation 2023

But let justice roll down like
waters, and righteousness like
an ever-flowing stream.
Amos 5:24

We acknowledge that in Kingston we are situated on traditional Anishinaabe and Haudenosaunee territory. We are grateful to be able to live, learn, and play on these lands.

A Message from The Dean

As I have just about reached my first anniversary as Dean of our Cathedral of St George, this seemed like a good time to both review the year passed and look to the year ahead. And so, over the next couple of months, you will notice some variety to our services as Brad and I explore different possibilities. I invite you to engage with these changes as a way of exploring the bounds of your own spirituality, and then let me know which of these changes you find helpful, and which you don't. One immediate change you will notice next week is the return of our communion rail, as discussed back in the spring. Please be aware, therefore, that from next week we will gather along the rail for communion, kneeling or standing as each prefers. Blessings to you all through this Season of Creation.

Fr Doug.

Announcements

Season of Creation, Worship Resources: We join with Christians worldwide to pray and care for God's creation. The annual Season of Creation observed from September 1 to October 4 is an important focal point. The following are a few resources to help you plan, which can be found on the Diocese of Ontario website: <https://www.ontario.anglican.ca/resources/worship-resources/pages/season-of-creation>

Volunteer at KHSC - Mental Health Unit: We are looking for mature volunteers to assist in training Queen's and St. Lawrence College students who want to give back to our community. If you are interested, please contact Rev. James Malcolm Graham at james.graham@kingstonhsc.ca or 613-549-6666 ext. 7193 for more information.

Interested in Sustainable Burial Practices? Many people are asking themselves whether we can continue to care for the earth even after our death. The growing interest in natural, or green burial offers a response to this question. An introduction to Green Burial will take place on Sunday, Sept. 17 at St. James Anglican Church (10 Union St., Kingston) from 2:30-4:00 pm. In person and live-streamed, with opportunities for questions and discussion. Information is also available at <https://greenburialkingston.com/>

The Cathedral Choir welcomes YOU! Come be a part of our cathedral choral experience where we perform weekly from an extensive repertoire spanning from newly commissioned contemporary works to the early music of the church. Fluent sight-reading skills are helpful. Regular rehearsals are Friday at 5:30 and the choir sings for both Choral Eucharist on Sunday and Evensong on Wednesdays (twice monthly).

Interested singers are invited to email music@stgeorgescathedral.ca to arrange an audition time.

Lunch by George: wishes to thank the congregation for their generous contributions past and future.

Cathedral Office will be closed: Tuesday, September 5th and will reopen on Wednesday, September 6th, 2023.

Happy Labour Day Weekend to you all from Dean Doug, Marg, Brian and Christina.
