

My brothers and sisters, whenever you face trials of any kind, consider it nothing but joy, because you know that the testing of your faith produces endurance; and let endurance have its full effect, so that you may be mature and complete, lacking in nothing.

James 1:2-4

Note from the Dean and Warden's

On behalf of the Dean and Wardens of St. George's Cathedral, I am the bearer of both sad and wonderful news. Our beloved Office Administrator, Christina Lord, is leaving us in three weeks time to take on the role of Executive Director, Epilepsy South Eastern Ontario. We are sad at her departure because she has done this office proud. Her graciousness, her incredible competence, her mastery of our Cathedral office has made her indispensable to us all. How dearly we will miss her. On the other hand, we congratulate her on this significant promotion and salute her for having been selected for this important leadership role in serving those with epilepsy in our community. She is the epitome of servant leadership and Epilepsy South Eastern Ontario is very fortunate to have her as their new Executive Director. On Sunday, October 1st, we will salute her and wish her well in our Fellowship Hour after the 10:30 Service.

- Eric Friesen

Special Mention: Brian English, Custodian of St. George's Cathedral will be celebrating a birthday on Thursday, September 29th. Happy Birthday, Brian from all of us at St. George's Cathedral!
